We are pleased to announce the successful organization of our first virtual event: a webinar on **"Mapping the Global Distribution of Sloth Bears: How You Can Help?"** We extend our heartfelt gratitude to our members, partners, and all participants for making this event a success.

The webinar was held on Thursday, July 18, 2024, and saw the participation of **89 people**. Our speakers, Dr. Nishith, Mr. Vishal, and Ms. Keren, all esteemed members of NBCN, provided insightful discussions on the newly initiated project on Asian Bear Range Mapping by the IUCN SSC Bear Specialist Group.

For those who were unable to attend, the webinar is now available on **YouTube**. You can watch it [here](#).

Additionally, we have attached a link to a questionnaire on sloth bear survey ([click here](#)). Your insights will be valuable for this ongoing sloth bear range mapping project.

Thank you once again for your support and participation. We look forward to your continued engagement in our future events.
